Sammy Gunner

Hi there, I'm Sammy Gunner and Zumba has made me come alive! I have been teaching for 7 years now and for the past two years I have had my own school "Break it Down School of Entertainment" if its got anything to do with dancing I love it. So as you can imagine when I saw Zumba I knew I wanted to teach it to make more people smile the way it makes me smile...I can't stop, sometimes by the end of class my cheeks (on my face :)) hurt more than my other cheeks lol. Come join me and you'll see what I mean. You don't even have to know how to dance. Just move your body and follow my lead. If you want to do something for YOU and get your spark back, then its time we meet.

For more information send me an e-mail and I'll get in touch with you about finding a class. If you leave a hotmail account please leave a mobile number as well for me to txt you the details as emails can go to your junk mail and you may think I haven't gotten back to you.
